

1

Issues for Discussion

- What exactly is NFT?
- What rights do NFT purchasers have?
 - What are the current licensing terms used for NFTs in your jurisdiction, i.e., do copyright owners grant full rights to the underlying IPs
- What are the rights of a NFT holder against 3rd parties?
- Are NFTs covered by traditional IP laws?
 - Can NFT be considered as reproduction or adaptation of the work?
 - Can NFT be considered as publication?
- Which jurisdiction will apply?
- Developments in policy or laws?
